Re: JPJ e-Hakmilik (e-Ownership) System

We are pleased to inform **FIS Data Link Sdn Bhd** is the Gateway Provider appointed by the Ministry of Transport Malaysia for Jabatan Pengangkutan Jalan (JPJ) e-Hakmilik System. The Gateway connecting JPJ and FIS Data Link is to provide an electronic data transfer pertaining to the registration and discharge (cancellation) of vehicle ownership claims by all parties offering hire-purchase financing or staff loan, as the case may be, to their customers/staff for the purchase of vehicles or motorcycles.

Following the implementation of the e-Hakmilik System, the matching process of the two physical documents i.e. Ownership Claim Letter (Letter A) and Release Letter (Letter B) is no longer practiced by JPJ.
